MEDICINAL.

Don't Hesitate.

There is just one thing to use if your stomach is "out of order" and that "one thing" is Dr. Pierce's Golden Medical Discovery. The supposition is that you want a prompt cure and a lasting one. That is why the "Discovery" is recommended as the one thing for your condition. It cures promptly, perfectly and permanently, diseases of the stomach and organs of digestion and nutrition. It's sure to help. It's almost sure to cure. It has completely cured ninety-eight per cent. of all those who have given it a fair and faithful trial.

"About ten years ago I began to have trouble with my stomach," writes Mr. Wm. Connelly, of Walnut St., Lorain, Ohio. "It got so bad that I had to lay off quite often two and three days in a week, my stomach would bloat, and I would belch up gas, and was in awful distress at such times. I have been treated by the best doctors in this city but got no help whatever. Some said I had cancer of the stomach, others dyspepsia. I have bought and tried everything I saw advertised for dyspepsia and stomach trouble, but continued to get worse all the time. About twelve months ago I wrote to you for advice. You told me that by my symptoms you thought I had liver complaint and advised the use of your 'Golden Medical Discovery' and 'Pleasant Pellets' in connection. These medicines I have taken as directed, and am very happy to state that I commenced to get better from the start and have not lost a day this summer on account of my stomach. I feel tip-top, and better than I have for ten years."

Dr. Pierce's Pleasant Pellets cleanse the bowels and stimulate the liver.

CATARRH Nasal Catarrh.

In all its stages there should be cleanliness. ELY'S CREAM BALM cleanses soothes and heals the diseased membrane. It cures catarrh and drives away a cold in the head quickly.

CREAM BALM is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying—does not produce sneezing. Large size, 50c at druggists or by mail. Trial size, 10 cents by mail. ELY BROTHERS, 56 Warren Street, New York.

FOR OVER FIFTY YEARS. AN OLD AND WELL-TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for Diarrhoea. Is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

"I have been troubled with indigestion for ten years, have tried many things and spent much money to no purpose until I tried Kodol Dyspepsia Cure. I have taken two bottles and gotten more relief from them than all other medicines taken. I feel more like a boy than I have in twenty years." Anderson Riggs of Sunny Lane, Tex. Thousands have testified as did Mr. Riggs.

To Cure Constipation Forever, Take Cascarets, Candy Cathartic, 10c or 25c. If C. C. C. fail to cure, druggists refund money.

AGUIALDO TO HIS PEOPLE.

The following is Aguialdo's address to the Filipino people made public in Manila yesterday evening.

"I believe I am not in error in presuming that the unhappy fate to which my adverse fortune has led me, is not a surprise to those who have been familiar with the progress of the war. The lessons taught with a full meaning and which have recently come to my knowledge, suggest with irresistible force that a complete termination of hostilities and lasting peace are not only desirable, but absolutely essential to the welfare of the Philippine Islands.

"The Filipinos have never been dismayed at their weakness, nor have they faltered in following the path pointed out by their fortune and courage. The time has come, however, in which they find their advance along this path to be impeded by an irresistible force, which, while it restrains them, yet enlightens their minds and opens to them another course, presenting them the cause of peace. This cause has been joyfully embraced by the majority of my fellow-countrymen who have already united around the glorious sovereign banner of the United States. In this banner they repose their trust and belief that under its protection the Filipino people will attain all those promised liberties which they are beginning to enjoy. The country has declared unmistakably in favor of peace. So be it. There has been enough blood, enough tears and enough desolation. This wish cannot be ignored by the men still at arms if they are animated by a desire to serve our noble people, which has thus clearly manifested its will. So do I repeat this will, now that it is known to me.

"After mature deliberation I resolutely proclaim to the world that I do not refuse to heed the voice of a people longing for peace, nor the lamentations of thousands of families yearning to see their dear ones enjoying the liberty and the promised generosity of the great American nation.

"By acknowledging and accepting the sovereignty of the United States throughout the Philippine archipelago, as I now do and without any reservation whatsoever, I believe that I am serving them, my beloved country. May happiness be theirs."

"To sign this important step in the pacification of the country, General MacArthur orders the release, on swearing allegiance to the United States, of 1,000 insurgent prisoners.

JACK THE HUGGER IN PETERSBURG.

A "Jack-the-Hugger" has again appeared on the streets of Petersburg, and timid maidens now no longer linger on their way, but eagerly seek the protection of their homes as soon as the shadow lengthens. Who this impudent person is no one seems to know. He always appears on the scene when a bright young girl saunters carelessly along after twilight. He unmistakably demonstrated his desire to embrace a beautiful young girl on Washington street one evening last week. She was so surprised, and, in fact, said she was so frightened that she could not identify the man. A few evenings later he tried his affection on another, but met the same indignant refusal of acceptance as on the previous evening. There has been no special effort made to apprehend the man. A man of similar propensities paid a visit to Petersburg last summer, and made Central Park a base for "heavy work."

A Testimonial From Old England.

"I consider Chamberlain's Cough Remedy the best in the world for bronchitis," says Mr. William Savory, of Warrington, England. It has saved my wife's life, she having been a martyr to bronchitis for over six years, being most of the time confined to her bed. She is now quite well." It is a great pleasure to the manufacturers of Chamberlain's Cough Remedy to publish testimonials of this character. They show that great good is being done, pain and suffering relieved and valuable lives restored to health and happiness by this remedy. It is for sale by Richard Gibson, druggist.

WE GIVE NO REWARDS. An offer of this kind is the means of deception. Test the curative powers of Ely's Cream Balm for the cure of Catarrh, Hay Fever and Cold in the Head and you are sure to continue the treatment. Relief is immediate and a cure follows. It is not drying, does not produce sneezing. It soothes and heals the membrane. Price 50c at druggists or by mail. Ely Brothers, 56 Warren Street, New York.

Beauty Is Blood Deep. Clean blood means a clean skin. No beauty without it. Cascarets, Candy Cathartic clean your blood and keep it clean, by stirring up the lazy liver and driving all impurities from the body. Begin to-day. It cures pimples, boils, blotches, blackheads, and that sickly bilious complexion by taking Cascarets—beauty for ten cents. All druggists, satisfaction guaranteed, 10c, 25c, 50c.

BRYAN AND HANNA.—Commenting on the mention of Senator Hanna's name in connection with the Presidential nomination, W. J. Bryan says in his Commoner: "Many people smile when Mark Hanna is suggested as the possible republican nominee in 1904. But there is no real occasion for these smiles. The fact is that Mark Hanna is the best possible representative of the republican party as at present constituted. His ideas are entirely out of harmony with the ideal of the founders of the republican party, and yet he has brought that party to his way of thinking. He has shattered traditional notions; he has forced many republican leaders into the background, and he is today the master of the republican party. This is not an exaggeration. It is a statement of very apparent facts. Why should the republicans hesitate to put forward the man most truly typical of modern republicanism?"

A PECULIAR REMEDY.—A "black art" story was told in Justice of the Peace Mendelson's office, in Mayfield, Pa., yesterday. Frank Dribnook had a sick cow and engaged Harry Anthony to cure it. Anthony said he would require 50 cents fee, and his orders must be obeyed. Anthony fixed a night and went to the barn. He insisted that Dribnook's wife should deride and walk around the cow nine times while he proceeded with his incantations. The woman refused, but her husband insisted, and she walked around the animal nine times besides stepping over it four times. Meanwhile Anthony was burning herbs, watching the woman and muttering to himself. When it was all over he announced that the cow would be well within a week. It wasn't, and he was refused his 50 cents fee. Anthony struck Dribnook and was arrested.
